MORNING REPORT.

Enrolling the blacks in Georgia.—The bombardment of Forts Jackson and St. Philip—Destroying cotton near Memphis—Gen. Banks pressing forward—Case of Col. Jennison.

New York, April 30.—A letter from Washington, received by one of our merchants yesterday, states that the most positive information has been received from the vicinity of Memphis that cotton in immense quantities had been destroyed throughout that section of the country, and it is past any question now that the plan of the rebels long determined is being put into active execution.

SPECIAL TO TRIBUNE.

WASHINGTON, April 29.—The War Department has issued an order for supplies of arms and clothing for the loyal blacks, to be enrolled in Gen. Hunter's division.

NEW ORLEANS, April 29.—A special dispatch to the Delta from Fort Jackson yesterday, says the enemy's fire has much slackened. They have fired 37,000 pounds of powder and over 1,000 tons of iron.

This bombardment is unprecedented in the annals of warfare. Our loss so far is five killed and ten wounded. The mortar vessels are out of sight behind a point of woods. We struck two of them yesterday and disabled a steamer.

TIMES DISPATCH.

WASHINGTON, April 29.—By advices from the Department of the Shenandoah, received to-day, Gen. Banks, notwithstanding the bad roads, is constantly pushing his advance towards Staunton, being already within a few miles of that place. It is considered doubtful whether the rebel Jackson will make a stand at Staunton, as he fears being flanked by a column from the mountain department. Gen. Banks' troops are in the best of spirits.

WASHINGTON, April 29.—Lieut. Robinson is ordered to the command of Battery E. A. Stevens, commonly but erroneously called the Naugatuck, now at Fortress Monroe.

The Secretary of the Treasury is now preparing to pay all indebtedness of a date prior to the 1st of February, in cash. Of the month of February 40 per cent. cash, and of subsequent dates 30 per cent. cash.

The emancipation commissioners met to-day, and several petitions were filed, and during the morning 30 or 40 persons waited on the Board.

LEAVENWORTH, April 29.—In a circular just published, Gen. Sturgis says the arrest of Col. Jennison was at the request of members of his own regiment on the most grave and serious charges known to the military law.

Hiram Rich, an old resident of the West and for a number of years settled at Fort Leavenworth, died suddenly yesterday morning of apoplexy.

The river at this point is at a stand, with the banks full. Weather pleasant.
